The Wild Grace Collection

SILK SCARVES COLLECTION

ORIGINAL ARTWORK

DIGITALISED ARTWORK

The Wild Grace Collection celebrates the quieter side of Africa's beauty, where strength is expressed through elegance and nature is revealed in subtle detail. Featuring magnificent aloes in bloom, graceful cheetahs and the remarkable pangolin, each design is presented in a sophisticated palette of soft, earthy tones. Created to complement our bold and vibrant Safari Collection, these scarves offer a timeless and refined expression of African luxury.

Each scarf is the result of a unique collaboration between South African artists: **Senzo Duma** and **Anya Ramparsad**. Senzo's original hand-painted artwork was meticulously transformed by Anya into a detailed digital textile design, preserving every brushstroke on luxurious silk.

This timeless pattern has become a symbol of high-end resort wear, often seen on international runways for its ability to evoke a sense of luxury and exotic allure. When combined with the silk's natural sheen, the design is elevated to create a striking, luxurious drape. Available in five vibrant colourways: Red and Blue, Bright Royal Blue, Lime Green, Turquoise, and Bright Coral Red.
